

WATCHMAN OUTREACH MINISTRIES

CD BIBLE LESSONS

May I welcome you to our library of CD sermons containing several hundred Bible lessons stretching out over many decades. Many of our Bible lessons contain timeless truth that will always be relevant for those who are in search of truth. We are humbled before the Living God to have been given the opportunity to open the Bible over a span of many years and teach from the living Word of God. I am eternally indebted to the Lord Jesus Christ, the Person of the Holy Spirit, and to an endless choir of people who have made it possible for these lessons to be given.

I really never imagined in my wildest dreams that I would have the incredible joy and pleasure of teaching and preaching from the Holy Bible. Growing up in a family of twelve children in a four room house without plumbing or electricity in Southwest Missouri in the aftermath of the 2nd World War I could never have imagined the blessings that have come my way.

I attended grade school in a one room country school. We walked or rode horses to school. We had no electric lights in the school building and used old fashioned methods of lighting our one room school. Only the grace and mercy of the Eternal God made it possible for me to make the difficult journey of getting to the nearest High School and finally on to Missouri State University, the only sibling in my family to graduate from college. History, theology, speech and theatre became the focus of my time spent at Missouri State.

With all praise to Jesus Christ and in gratefulness to countless numbers of wonderful kinsmen all across America and throughout the nations of the Anglo-Saxon world I am indeed humbled to present these Bible lessons. **“And this Gospel of the Kingdom shall be preached in all the world for a witness unto all nations; and then shall the end come”** (Mt. 24:14).

The following CD's are available at the Missionary & Literature Room here at **Watchman Outreach Ministries**, 3161 S. 2275 Road, Schell City, MO 64783. Please order by Series Number when requesting CDs. The suggested donation for the CD's are \$7.00 each which reflect the basic cost of the CD, duplication, and label. Any donation above our duplication cost enables us to pay postage and maintain duplication equipment. This is a faith based Ministry and we praise Jesus Christ for anyone who is inspired to help us keep the truth of God and Scripture alive in the 21st Century. We have never passed any collection plate in all the years of our Ministry and we make no appeals for financial help. This is a Ministry raised up by the Eternal God and it belongs to Him to bless or pass by.

Very important:

Some of these recordings date back to 1978. It will be important to recall that a minister like every one who studies the Bible grows in knowledge and understanding. You will find some of these older tapes reflecting certain points of theology that have since been updated as better understanding of Scripture have become available. These older Bible lessons are being made available because many of them contain truth that is timeless, being just as relevant today as when they were first recorded.

Forty years is a considerable span of time in terms of sermon recordings. These many decades of concentrated daily study in Scripture can yield many truths so you should remember that a lesson recorded in 1978 is not going to have the theological maturity as one recorded years later. Our sermons went unrecorded in the 50's, 60s', and 70s.

I was preaching in Churches throughout Southwest Missouri when I was just out of high school. I preached in circuit at Churches in Nevada, MO, Sarcoxie, James River Chapel, and Springfield, MO and on occasion in Kansas City, MO. During several years in circuit preaching there were no recorded sermons. None of the many sermons delivered in the British Isles, Europe, South Africa, Australia, or New Zealand were recorded. Endless sermons delivered at the National Festival gatherings during a span of many decades were not recorded.

Most of the sermons delivered in repeated tours across America from 1968 until 2007 went unrecorded. It is possible that I preached more unrecorded sermons than were recorded during my years of preaching.

Recordings were not made of any sermons until the late 1970s. Hundreds of sermons were unrecorded from the 60s and early 70s. Some of our earlier recordings will reflect major changes in doctrine including our transition from *Yahweh* to *Jehovah* in terms of the Hebrew Tetragrammaton and from Sunday to the biblical Sabbath. Please keep this in mind if you should order some of the older sermon lessons.

Please understand that this ministry is not static. We are only interested in truth. If we are proven to be biblically incorrect on a given point we will follow the Bible wherever it leads. The journey for truth is a long, difficult, and involves lots and lots of study. We claim no corner on truth. Every time we open the pages of the Bible we see and discover nuggets of truth we did not see before. We are always open to new insight and truth into Scripture and have met very few Bible teachers who did not open up my understanding to truth I may have never seen before.

The ministers at **Watchman Outreach Ministries** are only interested in truth. If we are found to be in error changes will be forthcoming. Theology should never be changed for light and transient reasons. When error is established according to the rules of biblical interpretation we will be making necessary corrections. You should not be surprised to find theological changes made over a span of several decades.

The vast majority of all lessons in this catalogue contain truth that is timeless and will always be relevant.

Truth is timeless. Do not believe that a current date must be affixed to a lesson in order for it to be valid. **Truth does not change.** Most of these lessons will be as valid a hundred years from now as they are today. May the Holy Spirit guide you as you make your way through several hundred potential hours of recorded study.

Pastor Dan Gayman

SERIES #1: STATE OF THE DEAD. This eight hour study is a focus on the state of the dead. There is much confusion in this area of biblical theology. This study is central to the area of **Eschatology, the doctrine of last things.** Several areas of extremely important and relevant Bible truth will be examined in this study including the essence of the Soul, Christ's descent into Sheol, a study of Hell, Hades, Sheol, Gehenna, and the promise and doctrine of eternal life. If you have not taken time to examine these very important areas of Bible truth you have missed the biblical train and should reschedule this important biblical journey. These eight lessons were recorded in 1981.

SERIES #2: DIVINE GOVERNMENT. This Three hour study is an excursion into the foundations of Divine government and a vision setting forth the government of God. The Bible clearly teaches that one day the governments of this world will be transferred to our

Lord Jesus Christ. Do you understand the significance of what this will mean to our world? These three lessons were recorded in 1980.

SERIES #3: DEFENDING THE FAITH. This twelve hour study surveys all of the historic Councils of early Christianity and will reveal truth of critical importance for those seeking to build their house of faith upon the solid rock of Bible truth. Many of the heresies abounding in Christianity today were exposed in the early Councils of Christianity. You can become an informed Christian soldier by careful examination of the heresy of Judaism challenged at the Council of Jerusalem, the heresy of Arianism challenged at the Council of Nicea, and the heresy of Semi-Arianism exposed at the Council of I Constantinople.

The heresy of Nestorianism & Pelagianism was challenged at the Council of Ephesus. The heresy of Eutychianism was rebuked at the Council of Chalcedon. The heresy of Monophysitism was challenged at the Council of II Constantinople. The Heresy of Monothelitism rebuked at the Council of III Constantinople. These twelve lessons were recorded in 1979.

SERIES #4: THE DIVINE PATTERN OF LAWFUL WORSHIP.

This eight hour study examines Lawful Worship, something you will normally find missing in contemporary Christianity. Does the Bible mandate how we are to worship the Living God? This study was the result of extensive research into the "Divine Service" of worship and culminated in a search of lawful worship among the Celtic, Anglo-Saxon peoples of the British Isles. This journey was made in 1978 and these lessons followed in the months thereafter. The worship service at **The Church of Israel** was established from this study. These eight lessons were recorded in 1979.

SERIES #5: GOD'S LAW AND RACE. This five hour study examines the racial nature of the man Adam, divides Israel out from Adam's posterity, and examines the question of Jew vs. Judah, and Israel and the Gentiles in Scripture. This series is a very rare study into vital foundational truths of the Bible. Without this very important knowledge your understanding of the Bible will always be limited. These five lessons were recorded in the late 70s and early 1980s.

There is no Series #6.

SERIES #7: OUR CAUCASIAN CHRISTIAN ROOTS. This eleven hour study is a comprehensive overview of our visit and search for the heritage of our people in the British Isles. This study will examine personal observations of the Stone of Scone, the Davidic Throne and Covenant, Glastonbury on the Isle of Avalon, Waymarks in Stone, The Missing 18 Years in the Life of Jesus Christ, The Apostolic Succession of our Faith, The Crown Jewels of Israel's Throne, St. Paul in Great Britain, and other historical areas. This study was the culmination of an extensive tour of the British Isles in 1978 by Pastor Dan Gayman. These eleven lessons were recorded in 1978.

SERIES #8: BIBLICAL FOUNDATIONS OF LAW. This eleven hour study examines Bible Law and will survey a vast array of subject matter within the context of Bible law. This eleven hour series was recorded in 1978.

SERIES #9: THE GREATEST STORY EVER TOLD. This nine hour study will follow the Divine Romance between Jehovah and His covenant wife (biblical Israel). This great drama of biblical truth will follow Jehovah's Courtship, Marriage, Honeymoon, Estrangement, Divorce, and the promise of Reconciliation, and Re-Marriage at the Marriage Supper of the Lamb. If you want to follow the greatest love story ever recorded look no further than your Bible. This study will encapsulate the total story of Scripture and will be a fascinating study. These nine lessons were recorded in 1979.

SERIES #10: GOD'S HOLY FESTIVAL DAYS. This seven hour study will provide the student of Scripture with an overview of the biblical Holy Days, and will examine in some detail the Day of Atonement, the Feast of Trumpets, as well as other subject matter relating to the subject of the biblical Holy Days. Biblical **Holy Days** will be observed in the Kingdom why not now? Why should Christians be content with a pagan counterfeit festival calendar when they can worship and serve God in the very real biblical pattern of biblical **Holy Days**? These seven lessons were recorded in 1981.

SERIES #11: THE TREE OF LIFE. This eighteen hour study examines the Rite (often called Sacraments) of the Living Church and is a classic study. It is difficult to find a study devoted to this important area of the Rites of Christ's Church. This study will include an examination of Baptism, Holy Communion, Confirmation, Repentance, Matrimony, Healing, and Ordination of ministers. This provocative study was made as an outgrowth of Lawful Worship. These eighteen lessons were recorded in 1979.

SERIES #12: HISTORY OF THE CHRISTIAN CHURCH. This 18 hour focus on the history of the Christian Church is a very comprehensive look at Church history. This classic study of Church History is probably one of the most detailed you will find among Kingdom believers. It begins with the history of the Israelite Church in the Old Testament and follows the Church through the unfolding centuries to the 20th Century. These eighteen lessons were recorded in 1979-1980.

SERIES #13: CHRISTIAN PRESUPPOSITIONS OF THE FAITH. This twenty-one hour study emphasizes the Christian Presuppositions and will include a study into Epistemology, Bibliology, the Being of God, Cosmology, Angelology, Harmartiology, Christology, Pneumatology, Soteriology, Ecclesiology, Theocracy, and Eschatology. This series of studies is one of a kind and will broaden your understanding of the whole spectrum of systematic theology. These twenty-one lessons were recorded from 1979-1981.

There is no Series #14.

SERIES #15: THE DOCTRINE OF ESCHATOLOGY. This seven hour study on Eschatology, the Doctrine of Last Things, will cover all of the ground in Revelation 20. If you have never followed the marvelous truth encompassed in the millennial age to come this is the series you need to follow. It will begin with an overview of the whole subject of Eschatology and will narrow down to the Great Tribulation, the Second Coming, and will then center on the eschatological study of Revelation 20. This seven hour series was recorded in 1980.

SERIES #16: THE DOCTRINE OF ANGELOLOGY. This five hour study will concentrate on the doctrine of Angelology and will examine angels in general, the angels that defected from God, together with Satan and the whole subject of demonology. Your understanding of

the Bible will always be incomplete if you have never studied the angels. These five lessons were recorded in 1980.

SERIES #17: THE DOCTRINE OF SALVATION. This nine hour study will cover all the essential elements of Soteriology including the doctrine of Original Sin, Unconditional Election, Definite Atonement, Irresistible Grace, and the Preservation of the Saints. Additional subjects including the Sons of God, Rights of the Firstborn, Children of the Sand and the Stars, and the biblical covenants of Promise, Law, and Grace will be examined. This series of nine lessons was recorded in 1980.

SERIES #18: THE KINGDOM OF GOD. This two hour study will target one of the most important themes in all of Scripture. The Kingdom of God occupies a central focus in Scripture and no student of the Bible should be uninformed on this subject. These two lessons were recorded in 1978.

SERIES #19: THE MONEY CHANGERS. This three hour study places a biblical laser beam on the money changers. The money changers have always been around. This study will seek to inform Christian people of those who have sought to seize the control of money and influence history. This three hour series was recorded in 1981.

SERIES #20: THE BOOK OF REVELATION. This ten hour focus on the **Book of Revelation** covers a lot, but not all of the ground that can be examined in this grand and glorious book. No Book in the Bible has captivated more minds than the Book of Revelation. This ten hour series was recorded in 1981.

SERIES #21: BUILDING A CHRISTIAN WORLD OUTLOOK. This three hour study will profile the organic culture curve of history. The organic cultural view of history is a remarkable way to measure where we are in American history. This study is one of my very favorite intrusions into understanding where we are in 21st Century America.

This series of lessons was delivered at meetings in almost every State in the Nation in 1981. This preacher and his family were in circuit throughout the spring and summer of 1981 giving this series of lessons. This is the bottom line study of where we are moving historically within the Anglo-Saxon confederation of nations. This is a proven and verifiable study of prophesy and where we are in history. This three hour series was recorded in 1981.

SERIES #22: THIS GOSPEL OF THE KINGDOM. This comprehensive seven hour study will examine the Kingdom of God and covers all of the essential elements one would want to know about this all important topic. The Regathering of Israel, Restoration of the Kingdom, Life in the Kingdom, and the reign of Jesus Christ will be examined in this study. This seven hour series was recorded in 1981.

SERIES #23: THE ABUNDANT LIFE SERIES. This four hour study is all about the abundant life promised those who are saved in Jesus Christ and heirs of His Kingdom. God has purposed for you to live an abundant and spirit filled life as you journey to the Kingdom. Would you want to settle for any thing less than what God has purposed for you in this life? These four lessons were recorded in 1981-1982.

SERIES #24: BIBLE LAW SERIES. This is eight hour comprehensive study of Bible Law includes a thorough examination of the Divine Constitution given to ancient Israel at Mt. Sinai. This study will examine the fundamental principles of Bible law, the revelation of law, and

other important topics relating to God's Law. You can never appreciate the Gospel without understanding the Law. America has witnessed a tremendous famine of hearing the law of God preached and without it the guilt of the sinner cannot be established and the need for a Savior cannot be justified. These eight lessons were recorded in 1982.

SERIES #25: ST. PAUL'S EPISTLE TO THE GALATIANS. This eight hour study will examine the entire **Book of Galatians**. Historically, this epistle has been a difficult one for many Christians to master. Many souls have been shipwrecked trying to balance Galatians with the rest of the Bible. You will find this study to be a very careful examination of this all important Epistle. This eight hour series was recorded in 1982.

SERIES #26: THE BIBLE AND INTERRACIAL MARRIAGE. This five hour study into this very controversial subject will be an important journey for every Christian. Until 1967 and the U. S. Supreme Court ruling in *Loving v. Virginia (1967)*, interracial mixing was forbidden by statutory law throughout most of the United States of America. Biblical law and cultural moral standards forbid this practice throughout the history of this American nation. Interracial marriage has now been made legal in America but it continues to be, and will forever be unlawful according to the standards set by God and Scripture. All parents, grandparents, and just about everyone needs to be able to defend the Bible case against this heinous crime against God. This five hour series was recorded in 1982.

SERIES #27: GERMANY, ENGLAND, AND IRELAND IN PROPHECY.

This seven hour study followed a journey by Pastor Dan Gayman into Europe in 1982. These lessons examine the British Empire, Germany, and Ireland in prophecy. This is a classic study including an actual journey into all of these countries and then a biblical and historical series of lessons upon the return to America. This seven hour series was recorded in 1982.

SERIES #28: SEVEN MOUNTAINS TO CLIMB. This six hour study was one of the most popular studies made in the early 80s. A close examination of the study of Adam man, the Gentiles, Judah, and the subject of salvation, grace, and tribulation are all included in this study. Each of these topics was a considered a major theological mountain to climb for many people who study the Bible. Hundreds of copies of this series were circulated throughout the US in the early 80s. These six lessons were recorded in 1982.

SERIES #29: THE POWER OF FAITH. This four hour study will focus on the power of faith. This is the most important study undertaken by this Pastor on the subject of faith. This was an extremely popular study and hundreds of these tapes have duplicated over the years. If you are looking for a series of faith building lessons these should be on your shopping list. These four lessons were recorded in 1982.

SERIES #30: GOD'S LAW AND THE TITHE. This seven hour study of the tithe will include a study of the tithe of the Firstborn, Tithe of the Firstfruits, General or Social Tithe, Festival Tithe, and the Poor Tithe. If you are looking for a comprehensive study of the tithe laws of the Bible this will be the study you are looking for. In every age devoted Christians have found obedience to the tithe laws to be the pathway for financial freedom and security. These seven lesson series were recorded in 1983.

SERIES #31: HERALDS OF CHRIST. This three hour study will demonstrate the biblical commission to take the Gospel of the Kingdom to Israelites in dispersion. The idea of exporting the Gospel of Jesus Christ to the whole world is not a biblical concept and this

series of lessons will underscore what the Bible teaches about so called foreign missions. This theological truth needs to be preached from the pulpits of the entire Anglo-Saxon world. This three hour series was recorded in 1983.

SERIES #32: ISRAEL IDENTITY IN 1850. This study will bring you four (4) forty-five minute lessons on what was being taught about Israel and the Kingdom in the year 1850. These lessons are based upon the history provided in the rare book entitled: **Our Israelitish Origin** by J. Wilson and published in Philadelphia, PA., in 1850. The information in this book reaches back more than one hundred fifty years. Why not examine Kingdom Israel truth as it was believed in Britain and the United States in 1850? The roots of Kingdom truth go deep into the biblical and historical past. This is a classic study. These four lessons were recorded in 1983.

SERIES #33: PARABLES OF THE NEW TESTAMENT. This twenty hour study will cover the Parable of the Sower, the Tares and the Wheat, the Mustard Seed, Leaven and Meal, the Hidden Treasure, Pearl of Great Price, Dragnet, Parable of Things New and Old, the Unmerciful Servant, Laborers in the Vineyard, the Wicked Husbandmen, the Marriage of the King's Son, the Fig Tree, and the Parable of the Ten Virgins. Many people find a study of the Parables to be one of the most fascinating areas of all Bible study. These twenty lessons were recorded in 1983-1984.

SERIES #34: DEFENDING THE KING JAMES BIBLE. This seven hour study made in 1983 in defense of the **King James Bible** was one of our most popular series. This study will examine many probing questions about which Bible translation you should use. Every believer must make a choice about the Bible you will use as the ultimate authority for establishing the truth of Jesus Christ.

Bibles that read differently cannot be the same. The Bible you choose to study and live by will be one of the most profound decisions you will make. Will it be the right choice? Will it be the right Bible? In English there is only one translation worthy to be called the absolute Word of God. Why not take the time to find out **why** the religious world in this time of great spiritual falling away is divorcing itself from the **King James Bible**. This seven hour series was recorded in 1983.

SERIES #35: THE INCARNATION AND VIRGIN BIRTH. This two hour study reveals the mystery of the incarnation of God in Jesus Christ, accomplished in the miracle of the virgin birth. This study is imperative for understanding the greatest event in all of history. How did uncreated God take on the nature of created man? This two hour study will establish foundational truth that must never be lost from those who love Jesus Christ and live in a state of salvation. These lessons were recorded in 1983.

SERIES #36: THE CRISIS OF RACE. This two hour study will open up the single most important issue of our generation. This study has been sent to hundreds of Israelite homes around the Anglo-Saxon world. Why not open the pages of your Bible and follow this study in the very Word of God. This study was recorded in 1983.

SERIES #37: THE SEED PLANTING SERIES. This four hour study was essentially designed for reaching new people with basic Bible truth. These four lessons will cover truth that should draw new people into a deeper understanding of the Word of God. Our Christian Beginning, God, the Only Lawgiver, If My People, and the Bible Still Stands are the titles of these four lessons. These four lessons were recorded in 1983.

SERIES #38: GENETICS AND RACE. This four hour study will penetrate an area of Bible truth that is seldom touched by the clergy of contemporary Christianity. This series of lessons will plunge into the deep water of Bible truth on a subject that most Church going people are totally oblivious to. The Law of Genetics and Race can be ignored but only at the peril of those who do so. This four lesson series was recorded in 1984.

SERIES #39: THEOLOGICAL REALISM. How real is your theology? Why are so many people willing to accept a counterfeit theology in contemporary Christianity? Many of the pulpits of America are as phony as our paper money system? What ever happened to the faith once delivered to the saints? Why did they remove the gold and silver backing from our paper currency? For the same reason men have removed the gold and silver of Scripture from Christianity. This study will expose the counterfeit theology now being dished out from thousands of American pulpits. At the same time the theology of truth believed by our Christian Fathers will be made clear. This four hour series was recorded in 1983.

SERIES 40: OUTLINE HISTORY OF THE CHURCH. This two hour history of the Church is especially designed for those who may not have time to listen to the more detailed series on Church History (Series 12). Everyone needs to be familiar with Church History and this overview will help fill in very important points of this history. This two hour study was recorded in 1983.

SERIES #41: WRITTEN IN BLOOD. This three hour study will trace the importance of bloodline through Scripture. This study will profile the very carefully chosen bloodline beginning with Abraham and culminating with the multitudes descending from Jacob, the grandson of Abraham, and the first mortal to carry the name Israel in history. This will be a very important subject for those who are looking for the all important truth of bloodlines in the Bible. Americans are willing to spend a fortune in the bloodlines of thorough-bred horses, pedigreed dogs, and other animals and yet pay absolutely no attention to human pedigrees. This is a very important study. This three hour study was recorded in 1984.

SERIES #42: THE SERMON ON THE MOUNT. Come with me and let us visit the most famous sermon ever preached in all the history of the world. From the very lips of Jesus Christ, the Sermon on the Mount is covered in Matthew 5, 6, & 7. This eighteen hour study will include a full resume of this great sermon under topical headings including the Beatitudes, Persecution of the Saints, Law and Grace, Marriage and Divorce, Be True To Thy Word, Christian Resistance, Keeping Up The Good Work, The Power of Prayer, Fasting for God, Priorities of Life, Judge Not Thy Brother, Beware of the Dogs and Swine, Ask, Seek, Knock, and Find, The Straight Gate and the Narrow Way, Wolves in Sheep's Clothing, and the Solid Rock or Sinking Sand. This eighteen lesson series was recorded in 1984.

SERIES #43: THE MARK OF THE BEAST. Every one has their personal ideas of what the Mark of the Beast is or will be? This three hour study will explore possibilities that should be included in your resume of what might be included in this remarkable prophecy found in Revelation 13. These three lessons were recorded in 1984.

SERIES #44: THE THRONE OF DAVID. This remarkable four hour focus will examine the history of David and the Throne covenanted to Him by a sovereign God will be the goal of this biblical journey. No Believer can be walking in the full light of the Gospel without a working knowledge and understanding of the Davidic Covenant, the promise of the Throne,

and the continuity of that Throne in history. This study will refute the skeptics who scoff at the Gospel of the Kingdom. These four lessons were recorded in 1984.

SERIES #45: THE PLANTING, GROWTH, AND HARVEST OF THE TARES. This three hour Bible study will chronicle the planting, development, and eventual harvest of the tares. This study is an extension of the Parable of the Wheat and Tares found in Matthew 13. This series was recorded in 1984.

SERIES #46: GENESIS...THE DIVINE FOUNDATION. Genesis, the Book of Origins, is the foundation for all Bible truth. Have you ever run a biblical marathon? If not, this is one race you will want to enter. If Bible students do not get it right in Genesis they will be wrong when they arrive at the New Testament. Every Christian must have a carefully laid biblical understanding in Genesis. Almost every topic of importance in Genesis is covered in this series.

This 53 hour marathon will examine all of the most important highlights of this grand and glorious book. The Creation, the Great Flood, The Tower of Babel, The Call of Abraham, Ishmael the Wild Man, Lot and the city of Sin, Jacob's Pillar Stone, the House of Esau, the Last Testimony of Jacob, Joseph's Double Portion, and many other topics will be covered in this series. This extended series of fifty-three lessons was recorded in 1985.

SERIES #47: THE BIRTHRIGHT DOMINION OF JOSEPH. Joseph's Birthright is a major point in the history of ancient Israel. This biblical study will escort you through a four hour tour of the birthright promise of Joseph. This study will focus only on Joseph's Birthright and will be extremely important to your overall understanding of the Gospel of the Kingdom. These four lessons were recorded in 1985.

SERIES #48: A JOURNEY INTO EDEN: THE GARDEN OF GOD. Want to take a trip back to Eden, the Garden where Adam and Eve enjoyed innocence and perfection? This four hour study will explore the events of what happened in the Garden of Eden that caused the fall of man and of the created world. The entry of sin into the world and Adam's man's need for redemption is one of the most basic biblical concepts that must be understood by all believers. The whole of biblical truth is resting upon what happened in the Garden of Eden. What really happened that allowed sin and death to bring ruin to God's perfectly created world? This is a very important Bible study. These four lessons were recorded in 1986.

SERIES #49: VISION OF THE LIVING CHURCH. Every Christian needs a vision for the Living Church. This four hour study will provide every Bible student with a timeless and spiritual look into the importance of the Church. Where there is no vision the people perish and without a vision of the Church we are in great peril. All students of the Bible will want to explore a vision for the Living Church. This four hour series was recorded in 1985.

SERIES #50: CHRISTIAN LIFE PRINCIPLES, #1: This twelve hour study into basic Christian Life Principles of the Bible is foundational truth for all who want to live a Christian life. These are basic truths for every Christian and for all the family. All of the series on **Christian Life Principles** were life changing for the congregation in Western Missouri. All of these lessons delivered in 1996 marked a historic turning point in the history of the Church. I would urge all Christians to give careful attention to all of these series including Series 50, 51, 52, and 54.

Israelites seeking personal and family growth and development will want all of these studies. These topics include Raising up the Foundations, Yielding Rights, God Ordained

Authority, Responding to Ungodly Authority, Accountability to God, God Ordained Fathers, Sins of the Fathers, and the Pathology of Reprobation. These are timeless truths that will be true for your children's children. This twelve hour series was recorded in 1986.

These Twelve Lessons Were Recorded in 1986.

SERIES #52: CHRISTIAN LIFE PRINCIPLES, #3: This **third** twelve hour study of basic Christian Life Principles touches on some very vital truths for both personal family, and Church. The titles of these lessons include Christian Self-Government, Forgiveness and Health, The Engrafted Word, Christian View of Church and State, Why God Compared Israelites to Sheep, Developing a Servant Spirit, The Way to Holiness, Clearing the Conscience, Resolving Personal Conflicts, and God's Purpose for Authority. These twelve lessons will be faith building, life changing, and beneficial in every way. These twelve lessons was recorded in 1986.

SERIES #53 PRINCIPLES OF BIBLE LAW. This twenty-one hour series of Bible lessons on the Principles of Bible Law covers a wide range of important biblical precepts. The law of God is seldom taught from the pulpits of the modern Church. Sin is defined by the law of God. If the law is not preached, sin cannot be defined, the guilt of the sinner cannot be established, and an entire generation of people will die in their sin without salvation for want of having been convicted of the need of Jesus Christ and His atonement for sin. These were recorded in 1981. **Note: Series #61 is a more updated series on Bible Law. There are 28 lessons in #61 recorded in 1986.**

SERIES #54: BASIC CHRISTIAN LIFE PRINCIPLES. This twenty-nine hour study will be one of the most spiritually uplifting and life changing series of lessons you can undertake. SERIES #55: RACIAL LANDMARKS OF THE BIBLE. This four hour study will review all of the major ethnic landmarks of Scripture. We are admonished in Scripture that we are not to remove the landmarks set by our fathers. Landmarks can be both physical and spiritual. In our generation the secular humanists are removing all of the ancient Spiritual Landmarks set by our Christian Fathers. This is especially true in the matter of ethnic heritage. This is an urgent study for those who want to know the biblical truth of the Living God about ethnic heritage. This series was recorded in 1987.

SERIES #56: WARFARE OF THE SEEDLINES. This eight hour study is considered to be one of the most fundamental and essential studies you will make as a student of the Bible. This is a series that you absolutely must include in your plan of study. This series is far more important than you could ever imagine. It will include a graphic unveiling of Genesis 3:15, the box-top Scriptural picture for the entire Bible.

These lessons will make inquiry into the Mutiny of the Angels, The fall of Satan, The Tree of Life vs. The Tree of Death, The Tempter and the Fall, Angels and the Fall of Adam, Adam and Eve on Trial, The Penalty for Original Sin, and Cain the Firstborn Son of Satan. These eight lessons were recorded in 1987.

SERIES #57: LECTURES ON THE HOLY SABBATH. This fifteen hour study on the biblical Sabbath was a ground breaking event for all of us here at the Church in Western Missouri. We had always been a Sunday keeping Church but were challenged to prove from Scripture that Sunday the first day of the week, was the biblical Sabbath. When it became apparent that this was not possible we set our hand for the next two years to an intense study

of the Sabbath question. After two years of the study in concert with all members of the Congregation, and with scholars on both sides of the issue throughout the Anglo-Saxon world, the unanimous decision was to transition from Sunday to the biblical Sabbath of the seventh day of the week.

This transition from Sunday to the biblical Sabbath by an entire congregation without loss of a single person captured lots of attention among Sabbath keeping Christians both in the United States and abroad. In 1996 Pastor Dan Gayman was invited to participate in a “**Friends of the Sabbath**” conference in Sydney, Australia with several hundred people in attendance from countries throughout the Anglo-Saxon world. While there he gave two lectures on the transition from Sunday to the biblical Sabbath.

The following study represents a very brief summary of the many topics covered during this two-year study.

This series of lessons includes a Scriptural Defense of the Holy Sabbath, the Unchangeable Sabbath, Jesus Christ and the Sabbath, St. Paul and the Sabbath, the Sabbath and Redemption, From Sabbath to Sunday, The Holy Sabbath and the Preservation of Israel, The Joy and Delight of the Sabbath, and the Seventh Day Blessing. This series is intended to be a primer for those who are seeking to follow truth wherever it leads. This series of fourteen lessons was recorded in 1987.

Lesson #15 of this series was delivered by Reed Benson in January, 2020 and is an overview of the biblical Sabbath with an additional refutation on the “*Lunar Rotational Sabbath*” teaching.

SERIES #58: DEATH AND THE AFTERLIFE. This six hour study will investigate the whole subject of death and the afterlife. What does the Bible teach about the soul and the spirit? What does the Bible teach about hell? What does the Bible teach about Paradise? What is eternal life? What happens to the unsaved wicked dead? All of these and many other questions are answered in this series of lessons. Many of these questions will dare to probe into areas that are generally off limits in most pulpits. These six lessons were recorded in 1988.

SERIES #59: SACRAMENTS OF THE LIVING CHURCH. This four hour study will examine the Christian rites of the Living Church. Many Christians have spent very little time in this most important area of truth. This study will examine Repentance, three hours of study into the subject of Christian Baptism, a lesson on Holy Communion, Confirmation, Unction or Healing, Marriage, and Ordination of Ministers. This series was completed in 1988.

SERIES #60: CHRISTIAN RESPONSIBILITY UNDER GRACE. This three hour study will answer this question. What is the biblical relationship of law and grace? Does the Grace of Jesus Christ invalidate God’s law? Was the law nailed to the Cross? Is there Law after Grace? All of these questions and more will be answered in this study. This series of lessons was recorded in 1988.

SERIES #61: PRINCIPLES OF BIBLE LAW. This twenty-eight hour marathon into Bible Law and its application for life covers a wide and comprehensive number of topics. The law will never save you but the law will lead you to Jesus Christ as the only justification for sin! Moreover, those who endeavor to walk in obedience to the law will reap the blessings of the law. You cannot keep the law without being the recipient of its blessings.

Subject matter in this series will include the Purpose and Promise of Law, The Harmony of Law and Grace, God’s Law and Time, Dominion and Covenant Law, God’s Law and the

Earth, Wealth, Property, and Inheritance, Debt, Usury, and Financial Freedom, God's Law and the Tithe, God's Law and Festivals, The Dietary Laws, Circumcision and the Law, Moral Purity Before and After Marriage, Post Childbirth Purification Laws, the Law of the Firstborn, God's Law and the Sabbath, God's Law and Usury, God's Law and Birth Control, Rules of Military Warfare, and Laws on Personal Vows. Bible **Holy Days** are in contrast to the counterfeit religious days appearing on the church calendars in the Christian West. This series of lessons will examine the Feast of Passover and Unleavened Bread, the Feast of Pentecost, The Feast of Trumpets, The Day of Atonement, and the Feast of Tabernacles. All of the annual biblical **Holy Days** will be celebrated in the Kingdom! Why not become acquainted with them in this life and world and make your life relevant to God and His Holy Days? This series of six lessons were recorded in 1988 and 1989.

SERIES #63: THE BIBLE AND CIVIL DISOBEDIENCE. This four hour study is designed to enable Christians to know where to draw lines in protesting against sin in this present evil world. What is the relationship between a Christian and civil government? What counsel and conclusions does Scripture provide on this timely subject? All of these questions are found in this series of lessons. This series of lessons were recorded in 1989.

SERIES #64: SEVEN LIFE CHANGING SPIRITUAL LAWS. God has given seven basic spiritual laws to govern our lives. This seven hour study will examine these seven Life Changing Spiritual Laws. Our God has designed physical laws that are essential to sustain the universe and preserve life on our planet earth. Spiritual laws that regulate our lives are just as real and important as the physical laws that God has created. The law of repentance, submission to authority, responsibility, yielded rights, holiness, forgiveness, and faith, are laws that insure maximum fulfillment, peace, and spiritual growth in this life and world. This series of seven lessons was recorded in 1989.

SERIES #65: SPOTS IN THE FEASTS OF ISRAEL. This three hour study examines three very important issues that can retard or even spoil the Festivals God has ordained for His people. If you are not aware of the dangers of The Way of Cain, The Error of Balaam, and The Gainsaying of Korah, it would be well worth your time to examine this series of lessons. These warnings are issued in the **Book of Jude** and all Christians are advised to be aware of these dangers. This three hour series was recorded in 1989.

SERIES #66: GOD'S LAW AND USURY: This six hour study on usury (interest) is a subject area that has gendered great controversy during the entire history of Christianity. This series was recorded in 1990.

SERIES #67: THE DOCTRINE OF LAST THINGS. This six hour study will examine Eschatology, the Doctrine of Last Things.

This study will profile a lot of ground including the Triunity of Adam Man, the Doctrine of Eternal Life, The truth about Sheol and Hades, the meaning of Paradise, The First and Second Resurrection of the Dead, and the future state of the Unsaved and Wicked Dead. All of these subjects are seldom taught in many mainstream Churches, and when they are

taught, they are presented with a very watered down version of biblical truth. This series was recorded in 1990.

SERIES #68: REBUILDING THE FOUNDATIONS. This twelve hour study will focus on the restoration of the Father and his importance in a Christian culture. In the last one hundred years America has moved from a patriarchal family social structure to a very matriarchal society. The restoration of Fatherhood is an imperative if the Western Christian Culture is going to survive. All men and women of Christian character and concern for the future of the family, the church, and the Christian culture of this land must work to restore the role of the Father. This series of twelve lessons was recorded in 1988-1990.

SERIES #69: GIFTS OF THE HOLY SPIRIT. This four hour study will introduce the Motivational, Ministry, and Energy Gifts of the Holy Spirit. SERIES #70: BUILDING FAITHFUL WOMEN. Who can find a virtuous woman for her price is far above rubies. This three hour Bible study will be a great help for all of the young women and mothers in the Christian remnant. Great spiritual benefit to all young women and married women will be gained from a survey of this study. The Western world is awash with a growing tide of feminism. Godly women filled with Christ and the Holy Spirit will avoid the feminist trap in every way possible for it represents slavery and not freedom for the women. This series was recorded in 1991.

SERIES #71: STANDING AGAINST THE KINGDOM OF SATAN.

Waging spiritual warfare in a very wicked world is a goal for every Christian to strive for. This ten hour study is intended to prepare you for exercising spiritual warfare against Satan, his demons, and his kingdom. Every Christian must understand that we are called to be soldiers of Jesus Christ waging spiritual war against Satan, the world, and our own sin nature.

If we do not understand the enemy that opposes Jesus Christ and every believer we will be easy prey for his cunning devices.

This study will undertake a discussion of the Bible Truth About Satan's Kingdom, and will proceed to discuss Satan as the Tempter of our Soul, the Accuser of the Brethren, The Great Deceiver, and how Christians may battle against demons, and take ground from Satan and his demons. If you are seeking a series of lessons that will help you wage spiritual warfare in this life and world this is the study for you. This series was recorded in 1991.

These lessons will include Waging Spiritual Warfare, Breaking the Power of Ancestral Sin, Building Strength to Wage Spiritual Warfare, Building Up and Tearing down Strongholds, and using the Sword of the Spirit in waging Spiritual Warfare. This series of six lessons was recorded in 1992.

SERIES #74: DUTIES OF A CHRISTIAN CITIZEN. This three hour study will examine the foundations of Christian Citizenship. How should the Believer relate to civil government and how does one discharge personal duties of good citizenship? Christians are the light and salt of the earth. Salt holds back corruption, seasons, and preserves. Christians can do this and more if they understand their responsibility in the exercise of Christian citizenship. We are not placed in this earth to mark time while we wait for the King and His Kingdom. Let's purpose to shine forth as the light, and be the salt in a wicked and perverse generation. This series was recorded in 1991.

SERIES #75: THE MARVELOUS WONDERS AND MYSTERIES OF THE BIBLICAL SABBATH. Millions of people have lived and died without knowing that the Creator of heaven and earth sanctified and blessed only day of the week as the Holy Sabbath. When one lives in harmony with the day of the week which Jehovah marked as the Sabbath of rest and worship great things will happen.

You will enjoy better health, longer life, and a much more fruitful life. If you have deprived yourself of this great blessing in life you need to reconsider your steps, repent, and return to the biblical Sabbath of your God and of your Christian Fathers. This study will acquaint you with all of the wonderful, marvelous, and unique blessings that will fall upon those who mark, observe, honor, and keep the biblical Sabbath of the seventh day of the week. As a Believer you should be growing and maturity in your salvation. Your goal is to live an abundant life in this present world and to reign as a priest and king under Jesus Christ in the world that is to come. These seven lessons were recorded in 1993.

SERIES #77: PULLING DOWN SATANIC STRONGHOLDS. This three hour study of the Bible is designed to aid those who have allowed Satan to build a stronghold of sin in their life. Satan, the world, and your own sin nature promote the building of satanic strongholds in your life that can turn your life into spiritual ruin. These strongholds come into your life when lust, greed, bitterness, and other sins are allowed a place in your life. You need to know how to attack these satanic strongholds if you are presently being held captive to these satanic powers. Jesus Christ, the Holy Spirit, and the Word of God are the bondage breakers that can set you free from sinful enslavement. This series was recorded in 1993.

SERIES #79: THE FULL END OF NATIONS. This Three Hour Study will examine one of the most critical areas of all Bible truth. What are the future of America, Great Britain, and the European Israelite nations of modern history? Where is time and history taking the nation and company of nations Jehovah covenanted to Jacob-Israel (Genesis 35:11, 48:16, 19?). This is a very penetrating and profound examination of the future of America and the nations of the Anglo-Saxons West. The validity of these lessons is being played out in the unfolding history of our country and that of the United Kingdom. This series recorded in 1993 will witness to the timeless truth of the Bible.

SERIES #80: BUILDING KINGDOM MEN. This eight hour series is especially for husbands and fathers who wish to grow into full spiritual manhood under authority of Jesus Christ. This is becoming a fatherless generation. There is a masculine crisis in America and throughout the Anglo-Saxon world. Husbands and Fathers desperately need to reach out and touch base with the knowledge that can move them from where they are to where they need to be in Jesus Christ.

This probing, provocative series of lessons will cover a lot of ground including Rediscovering the King's Men, In Search of the King, The Call to Sonship, Ruling the Inner Kingdom, The Call to Fatherhood, Calling Fathers to Repentance, Building Men with a Kingdom World Vision, and Family Strategy for Building Kingdom Men. This series of eight lessons was recorded in 1994.

SERIES #81: WHY DO PEOPLE JOIN AND THEN LEAVE THE CHURCH? Why do people join and then leave the church. What are the reasons, excuses, which people use to divorce the Church? Why are people coming in one door and going out the other door in many Churches? Why do some people find it so difficult to plant deep spiritual roots in the Church? Is it ever possible for imperfect people to find a perfect Church? And if a perfect Church could be found would it remain perfect if you were to join it? This will be a probing lesson into why people come, join, and then leave the Church. This series of four lessons was recorded in 1994.

SERIES #82: THE FESTIVAL OF PENTECOST. This eight hour study given by various ministers attending the Pentecost Festival in the 90s here in Western Missouri was very instructive. This series of lessons will include an examination of Pentecost and the Law, The Life Changing Power of Pentecost, Pentecost in History, The Former and Latter Rain, The Firstfruits of Dominion, Firstfruits of the Spirit, The People of Pentecost, and Peter's Pentecost Sermon. This series of eight lessons recorded by various Pastors attending Pentecost were recorded in 1995.

SERIES #83: CAN THERE BE SALVATION AFTER DEATH? This series consists of three one hour lessons. Settle your controversy on this age old question. The Bible is clear as crystal on this question. If you have not answered this question you surely need to do so. Is it possible for anyone to reject Jesus Christ in this life and find Him in the next? Can people find a delayed salvation? Why do some people actually believe that God is going to save at some future time a vile unrepentant sinner? This three lesson series was recorded in 1995.

SERIES #84: OUR COVENANTAL FOUNDATIONS. This series consists of three one hour Bible lessons on the covenants of the Bible. The Covenants are to the Bible as the skeleton is to the human body. Without knowledge of the covenants the Bible cannot be understood. It is not possible to understand Scripture without knowing about the covenants any more than a doctor can understand the human body without knowing something about the bone and skeletal structure. Understanding the **covenants** is essential to knowing your Bible and visualizing the panoramic view of the total Word of God. These three lessons were recorded in 1996.

SERIES #85: JAMES TO THE TWELVE TRIBES. This series consists of four one hour Bible studies of one of the oldest and most unique books of the New Testament Scripture. Who are the subject people of this epistle? Can you identify the people who are the subjects of the Book of James? Did you know that you could very well be reading about your own racial ancestral kinsman when you read from the Book of James? Why not go on a real adventure? Trumpets is a one day annual celebration in anticipation and expectation of the 2nd Coming of Jesus Christ and the re-gathering of His covenant people to their Kingdom

Homeland. This is indeed a very important celebration for all biblical Christians. This series of four lessons was recorded in 1996.

SERIES #89: THE DANGEROUS JOURNEY OF LIFE. A STUDY OF JOHN BUNYAN'S "PILGRIM'S PROGRESS." These five lessons will be exceptionally faith building as you make your journey through life. Why not take one of the oldest and most loved books in the English language and apply it to your own personal life through the prism of Kingdom teaching. This series of seven lessons was recorded in 1997.

SERIES #91: GOD, GENDER AND THE GENESIS RECORD. This five one hour series on gender and the Book of Genesis will settle every controversy you ever had about the distinction between male and female. This study will shatter the current humanism abounding in the pagan culture of our generation. This three hour study will confirm the Old Testament promise that Jesus Christ would magnify and bring honor to the immutable law of God. Why not examine the foundations of the wilderness church? The spiritual roots of ancient Israel are found in the Sinai Wilderness. Will the remnant church of the last days find itself back in the wilderness? This five hour series was recorded in 1998.

SERIES #95: THE NEW COVENANT. This four hour study into The New Covenant promised to the House of Israel and the House of Judah in Jeremiah 31 is one of the most misunderstood areas of Bible truth. Jeremiah 31 and Hebrews 8 in the New Testament provide the very best transitional bridge between the Old and New Testament to be found in Scripture. If you have not made a comprehensive study into this all important subject your

time may have come to do this very thing. This most important series of four lessons was recorded in 1998.

SERIES #96: GOD'S RACE AND ORIGINAL DESIGN. This two hour Bible Study will give you in brief comprehensive outline the major racial truths set forth in Scripture. No subject in the Bible is more important to you and your children as America and the whole of the Anglo-Saxon world jumps into full blown multiculturalism and ethnic mixing. SERIES #98: TRUTH AGAINST THE WORLD. This four hour study is designed to encourage every Believer in their battle against Satan, the world, and our own sin nature. Every generation must wage a valiant battle for truth and ours is no exception. Will we contend for the Faith of our Fathers? This is a generation of conformity Christians. They want to be in lockstep with the world. Who will stand for truth in a world that denies truth? These lessons will demonstrate how to defend the word **Israel** and to rightly sort out the word **Jew**. This series of four lessons was recorded in 2007.

SERIES #99: HAS GOD GIVEN HIS CHILDREN A WORD PERFECT BIBLE? This five hour Bible study will examine one of the most controversial subjects in Christianity. Did God give us a pure and undefiled revelation from heaven in a book called the Bible? And if there is an inspired Word from uncreated God has this Word been providentially preserved throughout all of time? And where is this Word found? In which Bible will you find this perfect Word! Not all Bibles are the Word of God! Bibles that read entirely different from the same verse of Scripture cannot all be correct. In order to copyright a Bible it requires change. Are these endless changes all true to the Word of God? This five hour lesson series could be one of the most important studies you will make in your Christian walk. This five hour series was recorded in 1999.

SERIES #100: THE BOOK OF REVELATION. This series is still in progress. Currently there are three one hour lessons but more will be coming. The Apocalypse at the end of the Bible is one of the most challenging Books in all of Scripture. This three hour series was recorded in 1999.

SERIES 101: THE GOSPEL OF THE KINGDOM. This four hour study into the **Kingdom of God** is a very important study. The primary theme of all Scripture is the Kingdom. This is the Gospel articulated by Jesus Christ, His Apostles, and all who followed them. Without understanding the Kingdom you will ever be learning and never able to come to the truth of the Bible. Does your Pastor teach "**The Gospel of the Kingdom**" or does he teach another Gospel? This four hour series was recorded in 1999.

SERIES #102: MARRIAGE: REBUILDING THE FOUNDATIONS. This five hour study recorded in 2000 is designed to help understand and save a failing marriage. Divorce is now rampant in America. divorce and the human suffering that follows this horrible breakup of the family. This series on marriage is not only for those who are having difficulty in their marriage but it is intended to assist and help everyone in their marriage. SERIES #106: SOUND DOCTRINE: THE FOUNDATION OF YOUR FAITH. This five hour study will reaffirm and establish sound Christian doctrine in your family. We are warned again and again in Scripture of the importance and the need to embrace sound doctrine. The Holy Spirit inspired St. Paul to write these words: **“Now the Spirit speaketh expressly, that in the latter times some shall depart from the faith, giving heed to seducing spirits, and doctrines of devils”** (I Tim. 4:1).

In contemporary America heretical teaching abounds in mainstream Christianity and heresy is also prevalent among remnant Christians. Everyone needs to revisit the foundations of our Apostolic and Christian faith and this study will do just that. These five lessons were recorded in 2001.

SERIES #107: THE NEW HEAVEN AND THE NEW EARTH. This three hour study will examine the future in the wonderful world of tomorrow that God is preparing for the restoration of His Kingdom rule here upon this earth. This study is especially good for Christians who have been taught that the ultimate goal in this life is to die and go to heaven. Heaven is coming to earth as Jesus taught us to pray. **“Thy kingdom come. Thy will be done in earth, as it is in heaven”** (Mt. 6:10). There is a reason why there will be a resurrection of the dead. The dead will be raised with glorified bodies to live and dwell in the Kingdom of God upon this earth. The meek are promised to inherit the earth and not spend eternity chasing the fleecy clouds of heaven. These three lessons were recorded in 2001.

SERIES #108: LIVING IN THE POWER OF THE WORD. This three hour study in the power of God's Word can be life changing for those who understand the real power in the divinely inspired Scriptures of the Living God. You are encouraged to spend three hours of your life in this ever important trip into the power of the Word. You will never be sorry I promise you. Consider this: The Bible contains the most enduring truth the world has ever known. God's Word has outlived empires. His Word is eternal. The more you know about this Word, engraft this Word into your mind and heart and live it, the better your life will become. These lessons were recorded in 2001.

SERIES #109: THE HOUSE OF JACOB This one-hour study is the first in a new series.

SERIES #110: HOW TO RESOLVE ANGER BY PASTOR CLARK. This is a ten hour study on anger resolution and management. Those who can exercise control of the temper have gained a great spiritual victory. These ten lessons were recorded by Pastor Gray Clark in 2001.

SERIES #111: THE NEW CHRISTIAN COUNTER CULTURE. This series consists of four lessons. The transformation of our pro-Christian culture has been under way for the last one hundred years. We now live in a progressive secular humanist State here in America. In the midst of this pagan cultural chaos Christians must purpose to raise up a counter-Culture. This counter culture must be a revival and resurgence of the biblical culture that once made America a great nation. A very worthwhile study if you are serious about the future of your children. These four lessons were recorded in 2001.

SERIES #112: SECRETS OF THE VINEYARD. This three hour study will examine the 15th Chapter of the Gospel of St. John. SERIES #171: LIVING A PRINCIPLED LIFE. This series consisting of two (2) one-hour Bible lessons provides the biblical case for living a principled life. By what standard will your purpose to live your life? By what authority do you purpose to live out your daily life? What are some of the guiding principles that will govern your personal life style, those of your children, and others in your circle of fellowship? These two lessons were recorded in 2011.

SERIES #172: ABRAHAM'S CHILDREN IN THE GEO/POLITICAL WORLD OF THE 21st CENTURY. This series of three (3) one-hour Bible lessons will demonstrate the powerful way that the offspring of Abraham now dominates the geo-political world of the 21st Century. Many Christians fail to understand how one man, Abraham, and the offspring he fathered, have come to play such a dominant role in world affairs? These three lessons were recorded in 2011.

SERIES #173: OUR ANGLO-SAXON HERITAGE. This series of five (5) lessons will trace the heritage of the Anglo-Saxon people and provide background for one of the most important topics in our time of history. This vital history has been sorely neglected by the pulpits in mainstream Christianity. A people who do not understand and appreciate their heritage will surely be in danger of losing their way. We are assuredly losing our way in the 21st Century and are in desperate need of understanding the great heritage belonging to the Celtic, Anglo, Saxon, Germanic, Scandinavian, & *kindred* peoples of the earth. This series of five lessons were recorded in 2011.

SERIES #174: GENESIS IMPERATIVE. This series of thirteen one-hour Bible lessons will explore Genesis as the foundation for all Bible truth. Genesis is the foundation for the remainder of the Bible. Think of Genesis as the singular seed of truth out of which all the rest of the Bible flowers and develops. If you do not get it right in Genesis you will struggle to get in right in the remainder of the Bible. These thirteen lessons recorded in 2011 are a foundation upon which you can build your biblical house of truth.

SERIES #175: FESTIVAL STRATEGY IMPERATIVES. These two lessons set forth the imperatives that are important for the covenant family of God. The Passover, Pentecost, and Tabernacles festivals are a primary focus of these lessons. Each festival gathering becomes a very important time for the covenant family of Jehovah God. These two lessons recorded in 2011 focus as a strategy going forward for the covenant people of Jehovah.

SERIES #176: THE LAW OF SEEDTIME AND HARVEST. This three (3) one-hour series of Bible lessons will explore one of the most important spiritual laws in the Bible. The “*Law of seedtime and harvest*” is a law that every Christian must clearly understand. Every word, every deed, and every action is a potential seed and from that seed issues a harvest for good or for evil. This three hour series was recorded in 2011 and is a foundational teaching that no Christian should be without.

SERIES #177: WIRED TO BE FREE. This is a seven (7) one-hour series of Bible lessons that will explore basic foundational Christian truths of how God has designed and made us and how we can as a new creation in Jesus Christ become all that the Creator has designed us to be. This lesson will be very helpful for those who are seeking to break addictive habits that are robbing you of your Christian life and blessings. The pathology of sin and how we can overcome the sin traps of life will be an important focus of this seven hour series of lessons that were delivered in 2011. These seven lessons are listed by individual title in the event you wish to single lessons.

- 1: Wired to Be Free. Part I & II
- 2: The Weightier Matters of the Law
- 3: A Time for Tears
- 4: Broken Before God
- 5: God’s Judgment Upon Sin, Part I & II

SERIES #178: THE VIRGIN BIRTH OF JESUS CHRIST. These three lessons on the miracle of the virgin birth of Jesus Christ are fundamentally important to all Christians. Without the Doctrine of the Virgin Birth the foundations of Christianity break asunder. This foundational doctrine is an imperative for those building their house of faith on Jesus Christ and Scripture. Many Christians underestimate the importance of the Virgin Birth of Jesus Christ and fail to understand how it impacts the entire salvation message. Two of these lessons were recorded in 2011. The more recent lesson is titled the “**The Sacred Mystery, Saving Ministry, and Sovereign Majesty of the Virgin Birth**” and was delivered at The Feast of Tabernacles in 2018.

SERIES #179: THE RISE AND FALL OF THE BEAST OF REVELATION. This two (2) hour study by Evangelist Reed Benson is a lesson from the pages of the Book of Revelation that you will not want to miss. If you have any interest in the last Book in the Bible, and I pray you do, you will these two lessons recorded in 2011 to be absolutely indispensable for understanding the Beast of Revelation.

SERIES #180: GOD’S MORAL PLUMB LINE. This series of four (4) one-hour Bible lessons from the Prophet Amos demonstrate the ethical and moral standards established by Jehovah for His covenant people. We live in a time of history when every moral absolute of the Bible is being redefined, cheapened, and even scorned by 21st moral standards. This series of lessons recorded in 2011 will call you back to the moral plumb line of Scripture, bless your life and bring honor and glory to God.

SERIES #181: THE JEWISH PROBLEM IN AMERICA. This four (4) lesson series will explore the Jewish problem and how it has impacted the life and history of the United States of America. This is a subject that is verboten in mainstream Christianity. The pulpits in 21st Century America are absolutely silent on this subject. These four lessons recorded in 2011 will plow a field of truth that remains fallow in almost all of mainstream Christianity.

SERIES #182: WHY DO THE GODLY SUFFER? AN ANALYSIS OF THE BOOK OF JOB. These six (6) one-hour Bible lessons will provide commentary on the entire **Book of Job**. Why do the Godly suffer? This Book is acclaimed by many scholars to be one of the oldest if not the oldest book in the biblical canon. No Christian should be without some understanding of the Book of Job. Human suffering is something that most people at one time or another will be called upon to endure. Having a right heart attitude about suffering is really very important. Consider how a man thought to be about as perfect as would ever expect to be came to the end of himself and realized how truly desperate he was for a Savior that could justify him before a holy God. This series of six lessons were recorded in 2011.

SERIES #183: BE ANCHORED FOR THE STORM AHEAD. This series of six (6) lessons is reaching out to the Christian Remnant and seeking to prepare them for the uncertain future that lies ahead for people living in the United States of America. No nation in history has ever been without significant chastening and even judgment in the consequence of abortion, sodomy, miscegenation, and a legion of other serious moral crimes against God. The sadistic murder of the unborn, the celebration of the vile sin of homosexuality, and the wholesale practice of miscegenation is bound to impact the political and economic future of America in a major way as the consequences for sin unfold. Individual titles which may be ordered are listed below. These lessons were recorded in 2012.

- 1: Be Anchored For the Storm Ahead
- 2: A Tale of Two Women, Day of Decision
- 3: Trust in God and Remember the Loaves and Fishes, 1 & 2
- 4: Trust in God and Keep your Lamps filled with Oil
- 5: Overcoming Fear of the Storm

SERIES #184: THE LAW OF LOVE. This two (2) one-hour series on the Law of Love is designed to demonstrate that love is the most powerful spiritual gift that God has bequeathed to His children. The "*Law of Love*" is best expressed in (I Corinthians 13) under the King James word *charity*. This spiritual law is one that will be a focus of every Christian who seeks to live in the will of God. These lessons were recorded in 2012.

SERIES #185: COMMENTARY ON GOD'S LAW. This series of nine (9) one-hour lessons sets forth a commentary on some of the more important laws of the Bible. Biblical law has become more and more scorned and declared irrelevant as the antinomian spirit pervades the American Culture and sadly Christianity as well. Biblical Christians understand that we are **not** saved or justified by the Law. We are saved by the blood of Jesus Christ plus nothing. We do not keep the law to be saved. We are inspired of the Holy Spirit to fulfill the law because we are saved (Romans 8:4). These nine lessons were delivered in 2012 and are a good point of beginning for understanding God's law and the hidden blessings found therein.

SERIES #186: OUR PASSOVER HERITAGE. These four (4) one-hour lessons on the Feast of Passover and Unleavened Bread are foundational for understanding this all important Feast of Jehovah. Passover is the “gateway” for all other festivals during the calendar year. Passover and Unleavened Bread are the introduction to the annual **Holy Day** calendar of the Bible. Passover marks some of the most important events in salvation history including the crucifixion and resurrection of the Lord Jesus Christ. It is difficult to understand how one can be called Christian and not make a plan to incorporate the celebration of Passover. These four lessons were recorded in 2012.

SERIES #187: THE UNSINKABLE TITANIC. This series of three (3) lessons draw a parallel between the great ocean liner called the “Titanic” and the United States of America, the “titanic of nations” that is now in great distress on the high sea of astronomical debt to the international banking cartels, undeclared protracted political wars, a stagnant economy, and a tidal wave of foreign alien peoples that are swarming the land and seeking to replace the homogenous population that once dominated the American landscape. The story of the great “Titanic” presents a very real parallel to what is taking place in America. This was a very relevant series of lessons and will be to the consummation of the American nation. These lessons were recorded in 2012.

SERIES #188: TRIAL BY FIRE. This series of three (3) lessons is designed to demonstrate how suffering becomes a refining fire for the children of God. Everyone at some point in life will be called upon to endure a time of suffering. Suffering is the means by which God molds the character of His people and enables them to grow into spiritual maturity. Our response to suffering in the final end becomes more meaningful than the actual event that produced the suffering. These three lessons were recorded in 2012.

SERIES #189: HEALING ISSUES OF THE HEART. These ten (10) one-hour lessons are developed out of the book titled “**The Healing Code**” by Alexander Loyd, PhD, ND with Ben Johnson, MD, DO, NMD. These lessons together with the book will open up the subject of healing that may be somewhat new to many people. These ten lessons attempt to interface with the book known as the **Healing Code** and how they may relate to the Bible. This series of lessons could also impact your prayer life in a very dramatic way. This was a very popular series and was recorded in 2012.

SERIES #190: THE CHURCH IN YOUR LIFE. This three (3) one-hour lesson series explores the role that the Church plays in the life of a Believer. Large numbers of professing Christians claim that they do not need a Church and that the concept of being part of a Church is not really that necessary. I have great sympathy for those who would like to find a Christ centered Bible based Church and cannot find one. Those who can access a good Church but choose not to are making a major mistake. Christ is the Head of the Church and Savior of the Body (Eph. 5:23). Can you really belong to Christ and say that you are not a member of His Body (the Church)? This series was recorded in 2012.

SERIES #191: 666 THE MARK OF THE BEAST—HOW CLOSE IS IT? This two (2) one-hour series is focused on (Revelation 13) and the Mark of the Beast. There is much controversy and opinion as to what the “Mark of the Beast” may be. These lessons were recorded in 2012.

SERIES #192: GOD ALONE! ONLY GOD IS THE SOURCE OF LIFE, LIBERTY & HAPPINESS. This three (3) one-hour series is focused on the belief that God alone holds the answer to life and all problems associated with understanding our mission on this earth.

Life, liberty, and the pursuit of happiness come from God and God alone. Everything in life is vanity apart from God. These lessons were recorded in 2012.

SERIES #193: RAISING UP GODLY SEED. These two (2) lessons were recorded in 1986 and are focused on timeless truth that every young person, especially those who are contemplating marriage should consider. This subject weighs in on the very first command found in the Bible: **“Be fruitful, and multiply, and replenish (fill up) the earth, and subdue it: and have dominion. . .”** (Genesis 1:28). The failure of the covenant people to give credence and then obedience to this command is one of the primary reasons why the covenant people of Jehovah find themselves becoming the minority race in America and throughout the world. *These two lessons should be mandatory for all young persons if they are planning to enter into the covenant of marriage.* These lessons were recorded in 1986.

SERIES #194: GIFTS OF THE HOLY SPIRIT. This two (2) hour Bible series is very important for every Christian. What are the spiritual gifts? What is your primary gift? Your secondary gift? The study of “spiritual gifts” may be one of the most important studies you will make in your walk through this world. These two lessons were recorded in 1986.

SERIES #195: THE BIBLE CASE FOR COURTSHIP OVER DATING. This two (2) hour Bible series will defend the biblical case for courtship and demonstrate why dating is not supported from the Bible. Moreover, courtship is the biblical way to blessing while dating is the world’s pathway to heartache and sorrow. Why not challenge your young people by showing them the difference between courtship and dating. These lessons were recorded in 1991.

Series #196: THE REMNANT CHURCH----ARE YOU A MEMBER?

These nine (9) lessons will make very thorough discovery into the Christian Remnant, and how you define the Remnant Church of the Living God? This exhaustive study of the Remnant Church should provide good insight into where you stand personally? These nine challenging lessons were recorded in 2012.

SERIES #197: OUR BIBLICAL CHRISTIAN AMERICAN HERITAGE. These seven (7) one-hour lessons will survey in much detail the heritage that Anglo Saxon Americans are born into. If you do not know your heritage can you defend and preserve it? How familiar are you with the heritage that God has so marvelously bequeathed to His covenant people in this land? We live in a time when our true and rightful history is being discarded, scorned, and repudiated. Our history books are under revision and the truth is being lost to our people. This seven hour series of lessons were recorded in 2012 and 2013.

SERIES #198: TWO WORLDS IN CONFLICT. This ten (10) hour series of lessons will take you into the great conflict of the ages and demonstrate that two totally different world views are on a collusion course in the 21st Century. It is imperative that every professing Christian build your biblical world view from the rock solid foundation of Bible truth. Everyone must clearly understand and be able to defend your world view and understand the world view that is in direct opposition to God, Scripture, and the revelation of God’s Word. These ten lessons were recorded in 2013.

SERIES #199: THE WAY GOING FORWARD. This five (5) lesson series sets forth a definitive pathway for Remnant Christians living life in the 21st Century. Without a plan, a strategy going forward we are a people without vision. Without vision the people perish

(Proverbs 28:18). These five lessons recorded in 2013 will help you sort out your life and give you some sense of spiritual direction for the future ahead.

SERIES #200: DIVINE BOUNDARIES FOR A NATION AND WORLD IN CHAOS. These twenty-six lessons will unravel the definition and meaning of the **Ten Commandments**. This is a very comprehensive analysis of the Ten Commandments. These commandments are the most enduring, timeless, and inspired moral code ever revealed or given to the children of God. Each of these Ten Commandments are examined under careful scrutiny and presented with the goal of making them applicable and relevant to everyday life. This will be quite a journey into one of the most exhaustive studies of the Ten Commandments that you will find available. **Please take note:** *This twenty-six hour excursion into the **Ten Commandments** will be perfect for those conducting Home Church or Home Bible study.* These lessons were recorded in 2013.

SERIES #201: REMNANT CHRISTIANS---HEADS UP FOR THE FUTURE AHEAD. This two (2) hour study places a focus on the future and how Remnant Christians can best navigate the rushing torrents of the 21st Century. Christians must march forward with a biblical world of victory in Jesus Christ and the Gospel of His Kingdom! These lessons are somewhat timeless in that our call to dominion is a timeless command from God. These lessons were recorded in 2013.

SERIES #203: THE MILLENNIAL GENERATION. This five lesson series was focused on the millennial generation born from 1980 to 2000. Special challenges face the people born during this twenty year span of time and they will do well to survey this concentrated look into the millennial generation. This generation is coming on strong and from their ranks will come vast numbers of people who will be leading this country. What must we know about the millennial generation? These lessons were recorded in 2013-2014.

SERIES #204: TEACHING THE ANGELS. This lesson is incomplete with only one lesson given at this point in time. This single lesson was delivered in 2014 and demonstrates that angels are on trial and are learning from those who are heirs of salvation.

SERIES #205 WAR OF THE AGES. This nine (9) lesson study is one of the most popular series that we have recorded. These lessons recorded in 2014 have made their way across the hinterlands of America and throughout much of the Anglo-Saxon world. This excursion into Genesis and the fall of Adam and Eve will explore this biblical truth in a way that you will find very revealing. If you really want to know what occurred in the Garden of Eden and caused the fall this is a must listen to series of Bible lessons. This series was condensed into a book with the same title. These lessons were recorded in 2014.

SERIES #206: JESUS' BAPTISM, TEMPTATION, SUFFERING, AND DESCENT INTO HELL. These four (4) lessons were recorded at the Feast of Passover in 2014 and are foundational knowledge for every Christian. Every Christian must personally identify with the baptism, temptation, and suffering of Jesus Christ as we make our pilgrimage in this life. Jesus being tempted in every point as we are tempted invites us to identify with Him in a personal way through each of these important spiritual events. By giving careful review of the life of Jesus in all of these important areas of life we can be far better prepared to make our discipleship with Jesus Christ meaningful and spiritually rewarding.

SERIES #207: SPEAKING TRUTH. This two (2) lesson series demonstrates the importance of speaking the truth, defending the truth, and being willing to stand for the truth. Jesus declared “. . .**To this end was I born, and for this cause came I into the world, that I should bear witness unto the truth. Every one that is of the truth heareth my voice**” (Jn. 18:37). How important is truth to you? And can we know absolute truth? And if not, why not? This timeless study was recorded in 2014.

SERIES #208: THE BOOK OF EPHESIANS. This is an on-going study with two lessons recorded in 2014 and hopefully more to come. The **Book of Ephesians** is to the New Testament as the **Book of Joshua** is to the Old Testament. The “heavenly places” in Ephesians parallels the conquest of Canaan for the ancient Israelites. The Book of Ephesians is believed by many scholars to be the pinnacle of the New Testament teaching on the living Church of God. These lessons were recorded in 2014.

SERIES #209: DAVID’S MIGHTY MEN. These three (3) lessons were delivered in 2014 and were especially designed to elicit the interest of Godly men to enlist in the cause of Jesus Christ and His Kingdom. The study of David’s Mighty Men is a very inspiring protocol for calling young men and men of every age to become a soldier for Jesus Christ, His Church in time and history, and a resident of His glorious Kingdom in the world to come. These lessons were recorded in 2013.

SERIES #210: THE LOST TRIBES OF ISRAEL. These three (3) lessons were recorded in 2014 and focus on the identification of the Ten Tribes of Israel that were carried captive into the Assyrian wilderness during the several Assyrian invasions of the Northern Kingdom of Israel culminating in the plunder, conquest, and pillaging of the capital of Samaria, the capital city of the Northern Kingdom and the forced removal of the indigenous Israelites hundreds of miles into the interior of Central Asia. This study is in hot pursuit of one of the most important theological questions of history? What ever happened to the Lost Ten Tribes of Israel? These three lessons will assist you in responding to this question.

SERIES #211: WHAT DOES IT MEAN TO BE AN AMERICAN? This three (3) lesson study will explore the exceptionalism of America and pursue the question of what does it really mean to be an American? We live in a time when American citizenship is being sorely tested as millions of foreign non-white aliens, many of them illegal and with documentation, set foot on American soil. We need to know what it really means to be an American. This series of lessons were recorded in 2014.

SERIES #212: FOUNDATIONAL DOCTRINES OF THE FAITH. This series of three (3) lessons were recorded in 2014 and were devoted to outline basic elementary and foundational truths of historic biblical Christianity. We live in a time when the great doctrines of Christian and Apostolic Christianity are becoming less and less relevant in the pulpits of the modern mainstream Churches of the Anglo Saxon world. The landscape of modern Christianity is filled with seducing spirits and doctrines of devils (I Timothy 4:1) and those who hold fast to the faith once delivered to the saints must be steadfast and anchored in the faith of the fathers.

SERIES #213: IN SEARCH OF THE REAL JESUS. This five (5) lesson series takes the Believer on the search for the real Jesus. The counterfeit vanilla, artificial, and plastic Jesus so often portrayed in modern Christianity is not the Jesus of Scripture. Every Christian deserves to know and must earnestly desire to know the real biblical historical living Jesus and not the timid weak Jesus so often presented to modern Christians. Is it any wonder that

men are finding it more and more difficult to find their place in the modern Church? These lessons were recorded in 2014.

SERIES #214: THE ONE ONLY TRUE GOD. This series of three (3) lessons recorded in 2014 is a tribute to the one true and Everliving, Self-Existing, Uncreated God whose name is Jehovah. This one true and Everliving God stepped out of eternity into time and took upon Himself the seed of Abraham, of the Tribe of Judah, of the House of David to become a Savior to the people that were the object of His love before the foundation of the world. Do you know this one true and Living God? To know Him is to know Jesus Christ for Jesus is the express image of this Holy God in human form of the seed of Abraham.

SERIES #215: THE TRAVAIL OF ZION. This two (2) lesson series is focused on the spiritual birth and physical survival of the “**Remnant of the woman’s seed**” as documented in (Revelation 12:1-17). Jesus is the man child that was birthed by the woman (Israel) from the womb of the Virgin Mary and He is the One destined to rule the nations with a rod of iron. From the seed of this same woman (Israel) there is a company of people that are being birthed and this company may be characterized as the Remnant of the woman’s seed who will survive the final and last prophetic trial known as “**The Time of Jacob’s Trouble**” (Jeremiah 30:7). These people are characterized as the “remnant” seed of the woman (Rev. 12:17). These lessons were recorded in 2014.

It has been forced upon the U.S. Military and the LGBT community in America now exerts powerful influence for full acceptance into the contemporary culture. Believers must understand, and be able to defend their biblical position and zealously hold fast to the faith once delivered to the saints. These four lessons were recorded in 2014.

SERIES #229: THE HERESY OF SUPERSESSIONISM. This is a series in progress. **Currently there is one lesson available.** It is a stand alone lesson given in 2016 and examines one of the most important heresies promoted in the rank and file of the American clergy in this and preceding generations. This heresy involves the transference of biblical genetic Israel along with the promises, covenants, charters, and guarantees promised Israel to that of a multicultural racially diverse Gentile Church. If you have not examined this radical theological heresy it is time you did.

SERIES #233: GENESIS: THE SEED OR TEMPLATE FROM WHICH THE BIBLE GROWS AND DEVELOPS. This three (3) hour study into the Genesis Record is one of the most conceptual studies that you will undertake if you want to understand Genesis and the rest of the Bible. You really do need to examine this series of lessons if you want to move

forward with a larger conceptual vision of the entire Bible. Without understanding that Genesis is the template for the entire Bible you will be missing the train and may struggle for a lifetime of Bible reading to really put it all together. These lessons were recorded in 2016.

SERIES #234: THE POWER OF CHOICE. This three hour series recorded in 2016 seeks to place before every Believer the importance of the choices made in life. The power of choice is a freedom given by a holy God to every one of His children. The life choices we make will not only impact our own personal lives but often everyone associated with us. Understanding why God granted Adam and Eve the power of choice is the point of beginning for this study. Without the freedom to choose man is a slave. God purposed that the freedom of choice had to be a prerequisite for His children when He first created man. What is more remarkable is that within man's free will the sovereignty of God is never compromised. **Series #225** explains this in detail.

SERIES #235: UNDERSTANDING THE BIBLE AS A MARRIAGE COVENANT. This two (2) hour lesson seeks to establish the Bible, Old and New Testament, as a marriage covenant between Jehovah God, Party of the first part, and Israel, His bride-wife, as the party of the second part of the covenant. The exclusivity of this covenant between Jehovah and the woman He married is carefully chronicled and preserved throughout Scripture. The biblical record demonstrates that this covenant between Jehovah and His bride/wife is exclusive to the parties named in the covenant and provides absolutely no authorization to universalize the terms of the covenant contract to bring other people into the marital union. These two lessons were recorded in 2016.

SERIES #236: SEPARATISM! NAVIGATING LIFE IN A RACIALLY DIVERSE COUNTRY. This is a three (3) hour series recorded in 2016. It is especially designed to assist and help the Christian Remnant of (Revelation 12:17) navigate the difficult road of multiculturalism and racial diversity living in 21st Century America. The idea of "**Biblical Separatism**" is well documented in Scripture and has a long enduring record in secular history as well. The misuse and often abused word "**racist**" in contemporary America cannot be used to describe or define a **Separatist.**" The national history of early colonial America had its beginning with Pilgrim and Puritan "separatists." A "**biblical separatist**" is a person who desires that every distinct and separate race retain the *original design* of the Creator by following the basic "*law of kind after its kind*" so prevalent in nature and a rule that governs all life forms on earth, including the various distinctive and separately created races.

This is an extremely valuable lesson for people who love and want to understand the Bible. Bible hermeneutics is the study of the principles and rules that govern the interpretation of the Bible. Have you ever wondered why

we have so many denominational churches, each one claiming to be the true Church with the true and only Bible message?

One of the primary reasons for the never ending explosions of new church labels is because of the ignorance associated with biblical interpretation.

The Word of God is a treasure of inestimable worth but that treasure can be trashed and lost by improper Bible interpretation. Curses and not blessings will follow those who fail to follow the principles of correct Bible interpretation. You are encouraged to examine these lessons with the assurance that they will enhance your ability to read, understand, and interpret the Bible!

For this reason I consider these lessons to be very important. I can hardly imagine having much clear understanding of the scope of the Bible, Genesis to Revelation, without a thorough understanding of the Genesis 3 narrative. SERIES #270: THE SOVEREIGNTY OF GOD. The Sovereignty of God is the single most important doctrine in the Christian Faith and not without good reason. What you believe about God and His supremacy over all things created in heaven and earth will impact every doctrine and every view that you have about anything else. There is no biblical truth, no

doctrine, no possibility of building a Christian and biblical world view apart from what you believe about God. If God is indeed omnipotent, all powerful, omniscient, all knowing, and omnipresent, everywhere at all times and places what does this mean? Is there any part of God's created world that He is not in charge of? Can there be one molecule that exists by chance outside of the knowledge of God can He really be Sovereign? If God is not absolutely in charge of everything, including all rulers and the nations over which they rule, can you depend on God to keep His promises? Can Prophecy have any relevance if God is not Sovereign? This is one area that you cannot put on hold without placing your spiritual life on hold!

In the generations that preceded the multicultural and racially diverse dogmas that now pervades America and the entire West, in the Pulpits, halls of all Academia, Colleges, Universities, Public Schools, the News Media, Television, Cinema Screen, and public opinion the glorious truth of salvation was restricted to the Covenant people of Jehovah Elohim. The Bible is the record of the White Adamic Race and of no other and Salvation is exclusive to a Covenant Lineage that is found within the White Race that had its origin in Adam and Eve, the first White man and woman of God's created world.

#271-01 The Straight Gate and the Narrow Way

SERIES #272: JAMIE KUNKEL SERMONS

SERIES #273: AMERICAN CULTURE WAR IN 2020. The year 2020 began as a routine year under the Presidency of Donald Trump, though it is doubtful if any year under this President could be called normal. The word normal hardly can be used to describe the Presidency of Donald Trump. His work as President is in the process of leaving the most gigantic Presidential footprint since Theodore Roosevelt, Andrew Jackson, or Thomas Jefferson, or perhaps George Washington. No man has ever worked so tirelessly and with such devotion for America as has this President.

In March 12, 2020 the World Health Organization announced a world pandemic with the arrival of the Communist Corona Virus, COVID-19. The President declared a "State of National Emergency" on March 12, 2020 and the nation went on total lockdown, with a quarantine or house arrest of all

Americans. This included all healthy people. This lockdown continued for weeks and was followed by riots, looting, plunder, and the burning across 60 American cities in 40 different States. **Black Lives Matter** and **Antifa**, both terrorist organizations terrorized scores of cities across America with mob mentality as they set fire to America. These Lessons were an outgrowth of the Cultural War under way in America during the spring and summer of 2020.

SERIES PAS2020: PASSOVER 2020 LESSONS. The following Lessons were mostly all delivered under duress during the March/April 2020 Lockdown of America during the Communist Chinese Covid-19 influenza Virus. Vernon County was under lock down with Churches closed because of "Social Distancing" and groups limited to not more than ten

people. This effectively shut down the Churches in Vernon County and across most of America, with exceptional Churches in rare cases scattered across the country. These lessons were delivered under duress in that violation of this National, State, and County lockdown carried fines of up to \$2000.00. **The Sanctuary of the Church of Israel remained open and Worship Services were held during the entire shutdown!**
